

FOR IMMEDIATE RELEASE

SKIN INDUSTRIES NEW IOMEGA EGO DRIVE

BUY IT AT GO.IOMEGA.COM

Express your unique style with the new Skin™ Hard Drives by Iomega®. With three unique designs and up to 500GB of capacity. You can store your media and showcase your individual Style.

Skin Hard Drives include quality features you have come to expect from Iomega like Iomega Drop Guard protection and Protection Suite software included at no additional cost! The Iomega Drop Guard™ feature helps protect the drive when dropped up to 51" so you can be confident your portable hard drive is rugged!

Skin Industries is your everyday lifestyle brand, and we are continuing to raise the bar to new heights. Stay tuned, and look out for new updates on athletes, models, and Skin events and parties. Download our free iPhone app, check it out, and pass it along to your friends and family.
